

26th INTERNATIONAL MONDSEE MEDICAL MEETING

Salzburg, Austria / September 12 - 13, 2019

Program

Advances in the clinical treatment of TBI and stroke

organized by:

ÖGNIM
Österreichische Gesellschaft
für neurologische und neurochirurgische Intensivmedizin

egnr

Österreichische Gesellschaft für Neurorehabilitation

Founding sponsor:

 **EVER**
PHARMA

Thursday September 12th, 2019

▶ 16:30 - 18:40 | Recanalization Workshop | Room Wolfgangsee
(Number of participants limited)

Potential benefits of combining Cerebrolysin with thrombolysis and thrombectomy

- 16:30 Introduction
Natan Bornstein, Israel
- 16:35 The clot thickens-tPA, microvascular integrity and Cerebrolysin
Michael Chopp, USA
- 16:55 Stroke and microcirculation - is there a chance for an add-on therapy to improve post-stroke reperfusion and hemorrhagic transformation?
Dafin Muresanu, Romania
- 17:10 Thrombolysis in Asia
Jose Navarro, Philippines
- 17:25 The role of Cerebrolysin in combination with thrombolysis and early initiation of rehabilitation
Adina Stan, Romania
- 17:40 The role of Cerebrolysin in a case of unsuccessful recanalization therapy in severe stroke
Zdravka Poljakovic, Croatia
- 17:55 The role of Cerebrolysin in combination with recanalization treatment (thrombolysis & thrombectomy)
Maksim Domashenko, Russia
- 18:10 The role of Cerebrolysin in combination with systemic thrombolysis at a higher daily dose (50ml)
Gennadiy Pasechnik, Ukraine
- 18:25 The role of Cerebrolysin in recanalization therapy after internal carotid occlusion
Dang Phuc Duc, Vietnam
- 18:35 Closing
Natan Bornstein, Israel

Friday September 13th, 2019

► 08:15 - 14:35 | Lectures | Room Salzburg 1

08:15 Opening

Meeting-Chairperson: Peter Lackner

08:25 Introduction Key Note Speaker
Michael Brainin, Austria

Keynote speaker

08:30 Treatment of traumatic brain injury (TBI) with Cerebrolysin - enhances neurological and cognitive recovery
Michael Chopp, USA

Session 1: TBI and Neurocritical Care

Chairmen: Mark Bayley, Dafin Muresanu

09:00 Outcome predictions in TBI - determinants and future perspectives
Peter Lackner, Austria

09:25 CENTER-TBI: Mapping the Contemporary Landscape of TBI in Europe
Andrew Maas, Netherlands

09:50 Severe TBI retrospective trial
Lynne Lucena, Philippines

10:15 Coffee break

Session 2: TBI and Critical Care - New Insights

Chairmen: Andrew Maas, Zdravka Poljakovic

10:30 New Perspectives for Traumatic Brain Injury: Results from the CAPTAIN Trial Series and Meta-Analysis
Dafin Muresanu, Romania

10:55 Cerebrolysin for treatment of aneurysmal SAH in adults
Hyeong-Joong Yi, Korea

11:20 Pathophysiological basis of post ICU syndrome: the role of neurotrophic factors
Martin Carreras, Argentina

11:50 Best practices for Post-TBI Rehabilitation programs
Mark Bayley, Canada

12:10 Lunch break

Session 3: Advances in neurorecovery research after ischemic stroke

Chairmen: Michael Chopp, Natan Bornstein

- 13:00 Cognitive disorders after stroke: classification and perspectives for therapy
Michael Brainin, Austria
- 13:25 Safety and efficacy of Cerebrolysin in recanalization therapy - a case series
Maksim Domashenko, Russia
- 13:50 Results of a pilot study in severe stroke patients after thrombolysis
Zdravka Poljakovic, Croatia
- 14:15 New hope for chronic stroke patients – the IMPULSE study
Andreas Winkler, Austria
- 14:35 Short break

▶ 14:50 - 16:00 | Workshop 2 | Room Salzburg 1
(Number of participants limited)

14:50: Case presentations

Chairmen: Natan Bornstein, Andreas Winkler

- 14:50 The role of Cerebrolysin in the treatment of brainstem stroke
Slaven Pikija, Austria
- 15:00 The role of cerebrolysin in the treatment of post-stroke hemianopia
Elena Krikun, Kazakhstan
- 15:15 The role of Cerebrolysin in the treatment of post-stroke aphasia including AVANT program
Dang Phuc Duc, Vietnam
- 15:30 Multidisciplinary treatment in a severe TBI patient after traffic accident
Helmut Trimmel, Austria
- 15:45 The role of Cerebrolysin in the treatment of severe traumatic brain injury caused by a bullet wound
Paul Carrillo-Mora, Mexico

26th INTERNATIONAL MONDSEE MEDICAL MEETING

General information

Venue WYNDHAM GRAND
Salzburg Conference Centre
Fanny-von-Lehnert-Straße 7
5020 Salzburg, Austria
T +43 (0)662 4688-0
www.wyndhamgrandsalzburg.com

Language The official language is English.
Simultaneous Russian translation will
be provided for the main lectures,
but not for the Workshops.

Workshops As the total number of participants
is limited an additional registration is
needed to participate in
the Workshops.

**Changes in
program:** The organizers cannot assume
liability for any changes in the
program due to external or
unforeseen circumstances.
