EVER Rehabilitationset and Scales booklet for free!

For EVER Pharma, Stroke Recovery and Stroke Rehabilitation is an important public health issue and we want to support professionals who work in stroke medicine and stroke rehabilitation to build these support networks.

The material which was designed by Austrian Rehabilitation Experts and also endorsed by the WSO will be given to you, of course free of charge, if you join the EVER Satellite Symposium on June 25th:

Stroke Recovery – Pharmacological Treatment Concepts in the acute and sub-acute phase

Sunday, 25 June 2017, 18:30-20:00 (Room: Forum)

Satellite symposium at the **3rd EAN Congress**

June 24-27, 2017 | Amsterdam, The Netherlands

Furthermore we would be happy to discuss with you how we can facilitate programs in your country for the benefits of your stroke patients. Please come and visit the EVER Pharma booth in the exhibiton area at booth #E22.

With this voucher symposium participants will receive the EVER Rehabilitationset (DVD and booklet) with essential exercises and the EVER Scales booklet directly after the symposium. (limited - while stock lasts)

Please print this voucher.
